The most traditional event in Venice

Regata Storica

First Sunday of September

The **Regata Storica** (historical regatta) is the main calendar date for annual Venetian rowing events. It is a unique sport and has been played for more than a thousand years in the area. Following the procession, along the same route, there are four **competitions** with young people, women, zonal, island and coastal teams, and finally champions, competing for the red flag that is given to the winners.
